

UN PETIT MOT...

Dusty Trails évoque pour moi les longues heures passées sur la route mais aussi l'intention de dépoussiérer un peu, à ma façon, l'harmonica et l'amener prendre l'air!

Pour ce faire, je me suis fait un grand plaisir et j'ai invité des amis qui m'ont fait l'honneur d'accepter avec une grande générosité. Merci à Nanette Workman, France D'Amour, Breen Leboeuf, Antoine Gratton, Adam Karch et Jean Fernand Girard.

Je dédie cet album à Guylène, la femme de ma vie, à mon fils Xavier ainsi qu'à mes frères et sœurs qui, par les « trails » qu'ils ont empruntés dans la vie, m'ont toujours grandement inspiré!

Bonne route!

02. AM I WRONG 2:47

K. Moore, Keb' Mo' Music

Am I wrong, fallin' in love with you
Tell me am I wrong, well, fallin' in love with you
While your other man was out there
Cheatin' and lyin', steppin' all over you

Tell me am I wrong, holdin' on to you so tight
Tell me, tell me, am I wrong, holdin' on to you so tight
If your other man come to claim you
He'd better be ready, ready for a long long fight

Well I gotta be strong, well I know you're dependin' on me
You know I gotta be strong, I know you're dependin' on me
To give you all of my attention
All of my time, and all of the love you need

Oh, tell me, am I wrong tryin' to hold on to you
Tell me am I wrong, tryin' to hold on to you
I just wanna make a home for you baby
And all of your children too

Tell me am I wrong, fallin' in love with you
Gotta tell me am I wrong, fallin' in love with you
While your other man was out there
Cheatin' and lyin', steppin' all over you
While your other man was out there
Cheatin' and lyin', steppin' all over you

04. DON'T TOUCH THAT DIAL 4:20

Alec McElcheran, Éditions Bros

I'd rather you didn't, but I wish you would
It would make a mess out of most of our lives, but it could be so good
I feel like a wreck, and I want some more
You are my accident waiting to happen, you're my farthest shore

My light at the end of the tunnel was a cigarette
Of all of the roads that i've left untaken, my biggest regret
you are my urban myth, the one that got away
The bridges we've burned, the bruises I've earned, and
nothing left to say

Do you know how it feels, to live your life waiting in the wings
To know how to play the part, though you'll always be apart,
not part of anything
To be on the outside, and not want to look in
to know how it feels to miss something that you never had,
but you can't let them win
Of all of the gin joints (in all the world), she walked into mine
Like a sock in the jaw, like the first hint of thaw, now buddy
what's my line
Don't touch that dial

06. I'D RATHER BE BLIND, CRIPPLED AND CRAZY 4:23

D. Carter/C. E. Hodges Sr./D. Malone, JEC Publishing

Just stepped out, over and over again
Standin' my pride, even though I know I can't win
I'm tired, of you messin' up my tide
You got yours, let me-let me have mine

I'd rather be blind, cripple and crazy
Somewhere pushin' up daisies

Than to let you break my heart all over again

To break a man's heart, all you need is pain
You've got me so messed up, 'bout to go insane
You break a man's heart, and don't say nothin' to him
I keep askin' myself
Why you wanna do it? Why you wanna do it?

I'd rather be blind, cripple and crazy
Somewhere pushin' up daisies
Than to let you break my heart all over again
Why you wanna do it baby?

I'd rather be blind, cripple and crazy
Somewhere pushin' up daisies

Than to let you break my heart all over again
Why you wanna do it baby?

08. BULLETPROOF VEST 5:11

C. Caillat/J. Reeves/D. Stewart, Fab World Music/Sony ATV Tunes/Dancing Squirrel Music/Inafi Music

What are you trying to hide?
You won't let me inside
The fear's only in your mind
I can see it in your eyes

Try to get through to you
But I don't know what to do
You're making it hard
To get to your heart
And it seems these days
That everybody wears
A bulletproof vest

If love is a weapon
Shot from a heart-shaped gun
It only hurts you
When you try to turn and run
When will you see
That you don't need
A bulletproof vest?

Please take it off for me
I won't shoot
I'll let you breathe
I wanna feel, feel me
Oh, baby, love
it'all you need

And I try to get through to you
I don't know what to do
You're making it hard
To get to your heart

And it seems these days
That everybody wears
A bulletproof vest

If love is a weapon
Shot from a heart-shaped gun
It only hurts you
you try to turn and run
When will you see that baby with me
it's only... A bulletproof vest?
